

THE EDUCATION CENTRE

THE EDUCATION CENTRE SCHOOL PARENT/CARER CONTRACT

The Education Centre is a safe, caring, happy and positive environment dedicated to supporting the individual needs of students. We work for effective improvement in learning and social behaviour so that our students can make the right choices in the wider community and move forward with society

The Education Centre will uphold our mission statement. We work very closely with the parents and carers of our students, and as part of this commitment to the carers and our students we will make the following pledges:

- ❖ We will endeavour to keep the student safe at all times
- ❖ We will ensure that any medical treatment or medication is accurately and promptly administered
- ❖ We will strive to help the student to achieve his/her true potential by ensuring that he/she is offered a full curriculum developed for his/her needs
- ❖ We will try to help your son/daughter to achieve happiness and well being
- ❖ We will maintain a close and supportive relationship with the students' carers, including notifying them of any incidents or changes in the students' time at The Education Centre
- ❖ We will offer strategies to help improve the behaviour of the student at home and at school
- ❖ The Education Centre will support and encourage a lifestyle that promotes healthy diet and exercise

THE EDUCATION CENTRE

THE EDUCATION CENTRE SCHOOL PARENT/CARER CONTRACT

The Education Centre works very closely with the parents and carers of our students. We ask parents and carers to give their support and commitment by making the following pledges.

- ❖ **Parents and carers will notify the school and mentor of any changes in the family circumstances or of any events or incidents that have occurred at home**
- ❖ **Parents and carers will notify the school of any illness or absence**
- ❖ **Parents and carers will ensure that the student arrives at school dressed appropriately**
- ❖ **Parents and carers will maintain contact with the school, and will be available when the school needs to contact them**
- ❖ **Parents and carers must promptly notify the school or mentor of any changes of address or phone contact numbers**
- ❖ **Parents and carers will be open to support from the school and will practise any strategies that may, after discussion, be suggested to help improve the students' behaviour at home and in school**
- ❖ **Parents and carers will continue any medical treatment started at school and will attend medical appointments that occur during the school holiday dates**
- ❖ **Whenever possible, parents and carers will attend school meetings and events**
- ❖ **Parents and carers will avoid booking holidays during term time**
- ❖ **Parents and carers will promote a healthy lifestyle for the student**
